FROM THE DESK OF MS. HAUGEN

Good morning,

This week we have our **Music Performance Assessment @ Leon High School**. This event is very important because it measures where we are as an ensemble and provides feedback on how to continue improving. This year both bands are going on **Friday March 3rd**. After they perform on stage, they will immediately go to the band room to be assessed in sight-reading. I'd encourage you to follow us there and see how it's done.

Your students are impressive musicians and students, so please attend this important event to support them! Both ensembles have worked very hard and have put a lot into making it a success.
