

Lincoln Trojan Band Sponsorship Program

Administered by the Lincoln Trojan Band Boosters

Dear Potential Sponsor,

Thank you in advance for considering financial support of the Lincoln High School Trojan Band, the best band in the land! Over the last four years, sponsorships and support have helped us to grow the band and the arts in our community.

Our achievements this past year included:

- Performing at football games and competing in the fall marching season, including earning First Place at the Battle on the Border Marching Competition.
- Earning superior ratings at Marching, Jazz, Concert Band, and Symphonic Band Music Performance Assessments (MPAs).
- **49** district Solo & Ensemble performances qualified for the state-level competition.
- **138** Superior Ratings were received at district Solo & Ensemble; **23** Excellent Ratings
- **4** students were selected for the Florida All-State Band, a highly competitive statewide auditioned opportunity.
- **28** students were selected for the All-District Band.

This coming season, the Lincoln High School Trojan Marching Band will be comprised of over 150 students performing at sporting events, competitions, parades, and concerts. Each sponsor allows us to lower the out-of-pocket expenses for student band fees and provide much needed items for our program. This program provides an opportunity for businesses to support the Trojan Band while receiving advertising benefits in return.

Can we count on your support this year?
