Lincoln Trojan Band 2026-2027 Financial Agreement for all Lincoln Trojan Band Students: Winds, Percussion, and Color Guard

A financial Agreement form must be signed and is included in the required electronic forms. A copy of this information will be available as part of that e-form.

All students participating in the Lincoln Trojan Band Program are asked to participate in fundraising. This is necessary to ensure that our band program will have sufficient funds to operate effectively each year. While most students pay their fees with a combination of monthly payments and fundraising, it is possible to fully pay a student's band fees through fundraising. Students and parents who choose not to participate in fundraisers are asked to make either a one-time payment of the annual band fee amount, or monthly payments throughout the school year. Students who choose not to fundraise should submit a deposit of \$75 before the end of band camp. Fees not covered through fundraisers should be paid by April 1 of each year.

Band Fees for 2026-2027 are \$575.00 and are due by April 1.

These fees cover expenses such as transportation, pizza at football games, meals on competition days, equipment purchase & maintenance, instrument repairs & service, uniform maintenance & cleaning, music purchases & supplies, show design, and Music Performance Assessments, to name just a few. It is impossible to give our students the opportunities they receive without these band fees being paid each year by every student. The Lincoln Trojan Band Boosters provide multiple fundraising opportunities throughout the school year. These fees do not include one-time purchases such as attire, equipment rental, tickets to optional events, and optional items.

IMPORTANT INFORMATION:

- Fees can be paid on Leon County Schools [E-Funds](#) (preferred) or via check made payable to Lincoln High School.
- Surplus can be carried over into subsequent school years or used for current year approved expenses.
- Upon a student's graduation or leaving the band program, their remaining balance goes into the Lincoln Trojan Band general fund. Surplus can be carried over to siblings in the Lincoln Trojan Band program.
- There will be no refunds of fund-raised money, since all fundraisers are intended to support Lincoln High School and the Lincoln Trojan Band.
- Students with outstanding band fees on April 1 will be placed on the Lincoln High School obligation list. Students who have school obligations (including owed band fees) cannot purchase LHS parking passes. A school financial obligation will also impact participation in graduation, receiving transcripts and other school activities.
- Students who owe over \$250 in band fees from a previous school year will be asked to bring their fees current before participating in the current year's band program.

Suggested Fee Payment Schedule

Families that choose not to participate in Fundraising Activities are asked to make the following scheduled payments throughout the school year:

\$75 deposit by the first day of Full Band Camp

Aug 31 \$75	Sept 30 \$75	Oct 31 \$75	Nov 30 \$75
Dec 31 \$75	Jan 31 \$75	Feb 28 \$75	

Any questions about fundraising or band fees should be addressed to the band director.

Thank you for your support of the Lincoln Trojan Band Program!
